An initiative of Gurucharan University, Silchar, bringing together students, faculty, industry professionals and other stakeholders .

29 - 30th JANUARY 2027

01 | JOURNEY OF GURUCHARAN UNIVERSITY

Gurucharan University (erstwhile Gurucharan College, established in 1935) enters its next phase of growth and remains committed to strengthening academic quality, expanding research capabilities, enhancing infrastructure and deepening community engagement through academic excellence and skills.

The institution aims to position itself as a leading university in the North Eastern Region by fostering innovation, inclusivity and sustainability.

90-YEAR LEGACY

Strong academic foundation | Global alumni network | Commitment to Nation-Building

With its 90 - year legacy, strong academic foundation and global alumni network, Gurucharan University is uniquely placed to address contemporary educational challenges and contribute to Nation-building . The institution continues to honour its past while confidently shaping the future of higher education in Assam and beyond .

Vision for the Next Phase

**Academic quality • Research capabilities • Infrastructure • Community engagement •
Innovation • Inclusivity • Sustainability**

02 | ABOUT THE CONCLAVE

The Industry - Academia Meet at Gurucharan University, Silchar is an invitation to the industrial sector of the Country to discover the considerable pool of young talent, skills, creativity and potential available in Barak valley. The region has a long and distinguished tradition of valuing education, intellectual achievement, culture and professional excellence. For industries seeking capable, adaptable and motivated young professionals, Gurucharan University provides an opportunity to connect directly with students who represent the aspirations and emerging talent of Barak Valley.

Talent Capabilities

Communication Skills	Analytical Ability	Technological Competence
Entrepreneurial Thinking	Creativity & Teamwork	Willingness to Learn

Direct engagement with this talent pool can help industries identify potential employees who can contribute to organizational growth while developing professionally through industry exposure.

03 | SIGNIFICANCE OF THE EVENT

The Conclave provides a common platform for the academic community and the industrial sector to come together, interact and explore areas of mutual interest.

- FOR INDUSTRIES

Directly connect with the emerging talent pool of Barak Valley and discover young , skilled and motivated students who can potentially contribute to organizations.
- FOR STUDENTS

Gain exposure to employment opportunities, professional expectations and direct interaction with organizations and potential employers.
- FOR INSTITUTIONS

Explore possibilities for collaboration and strengthen relationships with the industrial sector.
- FOR THE REGION

Support the development of a regional talent ecosystem across Barak Valley and the North Eastern Region.

In an environment where employment and industry requirements are continuously evolving, such interaction helps reduce the gap between academic learning and practical workplace expectations

04 | PROGRAM AT A GLANCE

DAY 1 CAREER EXPOSURE, GUIDANCE & EMPLOYMENT The first day will be dedicated primarily to career exposure , career counseling , career guidance and employment opportunities . Special emphasis will be placed on career guidance and counseling, enabling students to make informed decisions regarding future academic and professional pursuits . The day will provide a platform for interaction with organizations and potential employers, creating opportunities to learn about available employment prospects .
DAY2 INDUSTRY INTERACTION, INTERNSHIPS & COLLABORATION The second day will focus on interaction with industrialists , recognition of internship providing offices and exploring possibilities for institutional collaboration . A special felicitation program for offices and organizations providing internship opportunities will acknowledge their contribution towards valuable exposure to the professional enviroment .
