NOTICE

Participation in India skills competition 2026–27

All students of **Gurucharan University, Silchar** are hereby informed that registration for the **India Skills Competition (ISC) 2026–27** is now open on the **Skill India Digital Hub (SIDH)**.

IndiaSkills Competition is a flagship national-level platform of the **Ministry of Skill Development and Entrepreneurship (MSDE)** for identifying, developing and recognising talented youth in diverse skill areas. Students, trainees and eligible youth of the University are encouraged to participate and showcase their practical and professional skills.

Participation in IndiaSkills can provide students with:

1. **National-level recognition** for their skills and talent.
2. Opportunity to compete with talented participants from different parts of the country.
3. **Cash prizes/awards and medals/certificates**, as applicable under the official competition guidelines.
4. Opportunities for **advanced training, mentoring and skill enhancement** for high-performing candidates.
5. Exposure to **industry experts, professional assessors and employers**.
6. Potential opportunities for **employment, apprenticeship, internship and entrepreneurship**.

Financial Benefits

Depending on the applicable IndiaSkills 2026–27 rules and level of achievement, selected/high-performing participants may receive:

1. **Cash prizes/financial awards** at applicable levels.
2. **Training and mentoring support** for candidates selected for higher stages.
3. Possible support associated with participation in higher/international-level competitions, wherever provided under the applicable guidelines.
4. Increased employment and entrepreneurship opportunities through industry exposure and recognition.

Note: Cash prizes, training support, travel/other financial assistance and international opportunities are subject to the official IndiaSkills 2026–27 guidelines, eligibility and performance at the respective stages. Participation does not automatically guarantee any financial award.

Selection Stages

The competition will broadly progress through successive stages:

Registration on SIDH → Screening/Initial Competition → State/Regional Level → National Level → Advanced Training/Selection → International-Level Competition, wherever applicable

Eligible Participants

Interested and eligible **students, trainees and apprentices** may participate in the skill categories prescribed under IndiaSkills 2026–27, subject to the official eligibility conditions.

Students are encouraged to explore both **Individual Skills and Team Skills** and select a skill category matching their competence and interest.
